CF EVANS CONSTRUCTION

Your Builder in the Field

As Superintendent, Brad manages the day-to-day operations of the jobsite, keeping the project safe, on schedule, on quality, and in accordance with the contract documents. He coordinates the trades, sequences the work, and works through challenges methodically to keep the project moving. With 24 years across multifamily, hospitality, commercial, and residential construction, Brad is known for a calm, dependable approach and for staying focused under pressure.

On Your Project, Brad:

- Manages daily jobsite operations against safety, schedule, quality, and contract
- Coordinates and sequences trades to keep the work moving
- Works through field challenges methodically rather than reactively
- Holds the project to CF Evans' quality and safety standards

Project Examples:

- Evado at Taproot – Fletcher, NC | 270 Units
- Weller at The Preserve – Asheville, NC | 179 Units
- Eastwood – Ladson, SC | 244 Units

My Promise: *"I will know the work, plan the work, communicate the plan, and hold our team accountable for executing it."*
