CF EVANS TENURE

2015-Present

As Project Executive, Taylor oversees multiple projects while working closely with each project team to ensure a quality project and client experience. Taylor's responsibilities include selecting subcontractors based on pricing and scopes of work, creating and maintaining construction schedules, accurately forecasting project costs, and ensuring quality throughout each project. Since joining CF Evans, Taylor has previously served as Senior Project Manager, Project Manager, and Assistant Project Manager before assuming the Project Executive role in 2022.
