

## AUSTIN BROWN

ESTIMATOR

---

### EDUCATION

Clemson University  
Bachelor of Science,  
Agriculture Mechanizations and  
Business

### CERTIFICATIONS

OSHA 30 HR Course

### CF EVANS TENURE

2018-Present

---

As Estimator, Austin is responsible for preparing detailed takeoffs and cost estimates for both conceptual and hard bid projects. He develops bid packages, solicits and evaluates quotations, and reviews scopes of work from subcontractors and vendors. Austin conducts thorough quantity surveys and identifies potential cost risks to ensure accurate and competitive estimates. He works closely with the Preconstruction and Project teams to ensure a smooth transition from estimating to construction and remains engaged throughout the project lifecycle. Austin provides ongoing oversight, clarification, and guidance, helping maintain budget alignment, manage scope changes, and support successful project outcomes.

### Project Examples:

- Meeting Street Lofts — Charleston, SC | 274 Units
- The Grove at Carolina Park — Charleston, SC | 283 Units
- The Porter — Charleston, SC | 118 Units
- The Corners at Brier Creek — Durham, NC | 298 Units
