CF EVANS CONSTRUCTION

Your Project Executive

As Project Executive, Gunthar provides overall management direction across multiple construction projects, reviewing plans, budgets, schedules, and project teams. He is accountable for project safety, financial performance, and owner satisfaction, maintaining close contact with clients while monitoring construction and financial activity to keep each project on track through completion. Gunthar has come up through CF Evans as Assistant Project Manager, Project Manager, and Senior Project Manager before stepping into the Project Executive role, giving him a full command of every stage he now oversees.

On Your Project, Gunthar:

- Provides executive direction and accountability across the project team
- Reviews plans, budgets, and schedules to keep projects aligned
- Maintains close client contact and manages owner expectations
- Monitors construction and financial performance through completion

Project Examples:

- Northpoint on Jarvis Creek — Hilton Head, SC | 157 Units
- Evado Asheville South – Fletcher, NC | 270 Units
- Brooking Square — Charleston, SC | 348 Units
- The Radler – Charleston, SC | 324 units
- Founders Yard – Charleston, SC | 341 Units

My Promise: *"I will stay engaged, communicate directly, and help our team solve issues before they become surprises."*
