CF EVANS CONSTRUCTION

Your Field Leadership Advocate

As Director of Field Operations, Andrew drives operational excellence and consistency across every CF Evans field team, with a commitment to safety, quality, and schedule. He develops field talent, provides ongoing education for field leadership, and streamlines warranty management, bringing best practices from across the company to each project so no superintendent operates alone.

On Your Project, Andrew:

- Supports the field team on planning, logistics, production, and schedule execution
- Drives consistent safety and quality standards across every project
- Develops field leadership and brings company-wide best practices to each job
- Streamlines warranty management for a cleaner turnover

Project Examples:

- The Wyre River Arts – Asheville, NC | 237 Units
- 408 Jackson — Greenville, SC | 227 Units
- Morrison Yard — Charleston, SC | 380 Units
- Sonderly at The Concourse – Charlotte, NC | 240 Units
- Meeting Street Lofts — Charleston, SC | 274 Units
- The Porter — Charleston, SC | 118 Units
- The Passage — Summerville, SC | 240 Units
- Cooper River Farms – Charleston, SC | 290 Units

My Promise: *"I will help our field team turn the project plan into predictable execution."*
