CF EVANS TENURE

2017 - Present

CF EVANS CONSTRUCTION

Your Builder in the Field

As Superintendent, Terrence oversees daily field operations across all phases of construction, keeping projects safe, on schedule, and to CF Evans' quality standards. With nearly a decade at CF Evans on multifamily projects throughout South Carolina, he coordinates subcontractors, maintains schedules, and monitors quality from sitework through final completion, drawing on a background in site work and construction management to review constructability at every stage.

On Your Project, Terrence:

- Coordinates subcontractors, inspections, and daily field logistics
- Maintains the schedule and monitors quality from sitework through completion
- Reviews constructability at every stage to catch issues early
- Builds clear communication with owners, trade partners, and the project team

Project Examples:

- Meeting Street Lofts – Charleston, SC | 274 Units
- The Port House – Charleston, SC | 251 Units
- The Ames – Summerville, SC | 304 Units
- The Lively Murrells Inlet – Murrells Inlet, SC | 307 Units
- The Lively Victor Park – Greer, SC | 318 Units

My Promise: *"I will know the work, plan the work, communicate the plan, and hold our team accountable for executing it."*
